*It's a state of mind:  
relaxed, sunny,  
youthful, individualistic.  
That's Haziza.*

**I**f you have an eye for quality and a taste for the exceptional, we invite you to discover the endless decorating possibilities with Haziza's new works of art.

A world that's vibrant and unique. Composed entirely of master artist Shlomi Haziza's work. He captures vibrant vision and design in a distinctive style that can be appreciated in an ever-evolving collection of art, furniture, accessories, and fashion.

What makes H.Studio unique is the attention paid to researching and discovering new applications for acrylic, and the superior craftsmanship and art-gallery-quality of his work. Any size, any shape, any colour – enhance your art, furniture, and rug collections by choosing the exact colours, materials, or upholstery options that fit your décor, lifestyle, and attitude. **DM**
